Subject: EPA FOIA Request: EPA-HQ-2-013-007195

June 11, 2014

Dear Dr. Kasdin,

This email responds to your FOIA request dated June 10, 2013 for ***"a copy of the historical records of the performance measures for the programs in EPA."*** As we discussed on May 30, I am sending you the links to EPA's previous budgets and annual performance reports, which include reporting on EPA's performance measures required under the Government Performance and Results Act (GPRA). The home page for this information is <http://www2.epa.gov/planandbudget>.

Beginning with the FY 2013 budget, EPA integrated its Annual Performance Report into its Congressional Justification (CJ) for its budget.

- Past performance and future performance targets are combined into an eight-year table, which displays six years of results, and the performance targets for the current fiscal year and the year of the proposed budget. For example, the FY 2015 CJ, published in March, 2014, includes performance results from FY 2008 to FY 2013 and targets for FY 2014 and FY 2015 for each performance measure.
- The narrative Annual Performance Report is included as an appendix to the CJ. For example, the FY 2013 Annual Performance Report is an appendix to the FY 2015 Congressional Justification

To access the FY 2015 CJ and FY 2013 Annual Performance Report, go to <http://www2.epa.gov/planandbudget/fy2015>, and click on **FY 2015 Justification of Appropriation Estimates for Committee on Appropriations**. The eight-year performance table begins on page 824. (The view you will go to shows each page – to download a full copy of the document, select the "Get a Copy" button from the tool bar).

For the FY 2014 CJ and the FY 2012 Annual Performance Report, go to <http://www2.epa.gov/planandbudget/fy2014>, and **FY 2014 Justification of Appropriation Estimates for Committee on Appropriations**. The eight year table begins on page 881.

The CJs and annual performance reports for all previous years (reflecting EPA's history of performance measures) are posted at <http://www2.epa.gov/planandbudget/archive>.

- Click on **Justification of Appropriations for Committee on Appropriations**, under the Budget Development heading, and you will see links to all of our past CJs. For the FY 2013 CJ and FY 2011 Annual Performance Report, the eight-year table begins on page 824 of the CJ. This will give you performance information back to 2006.
- Please note, we used a different format in budgets prior to FY 2013, and published separate tables in the CJ and the Annual Performance reports. Click on **Financial & Performance Reports** under the "Results" heading, and you will find all of our previous Annual Performance Reports and Performance and Accountability Reports, dating back to FY 1999.
